

# Show Your Colors

## Radel® R Instrument Handles

Add color to your world with Symmetry Medical Instrument Handles. Symmetry's Radel® R colored handles personalize your instrument set for a unique look. Simply select a custom color to match or compliment your company color, or choose based on instrument size or procedure order.

Our proven handles are molded in one piece to eliminate chipping, cracking or breaking. In addition the patented Thermo Forming process prevents instrument tips from loosening, even after repeated use.

Ergonomic designs are available in smooth or textured styles for a comfortable and procedure appropriate fit.

Standard, Ergonomic, Textured... the choice is yours!

### BENEFITS

- Handles are easily cleaned and can withstand repeated sterilizations.
- Handles can be custom imprinted creating *company specific* instruments.
- Injection molded process provides unlimited configurations enhancing your design flexibility.
- Standard and custom color options are available.
