

ScopePak[®] Endoscope Trays

BENEFITS

- Helps prevent damage to endoscopes, minimizing expensive repairs.
- Endoscopes are fixed in place with unique silicone holding bars.
- Adjustable silicone holding bars accommodate a variety of endoscope sizes.
- Engineered with tough, time-tested, highly resilient plastic polymers to withstand the rigors of repeated use and sterilization.
- Transparent lids allow for easy identification of endoscopes.

The Symmetry Medical ScopePak[®] Endoscope Trays offer engineered protection for the handling and storage of costly endoscopes. ScopePak trays are available in a variety of sizes to fit a broad range of endoscopes. Each tray features silicone holding bars to secure the telescope in place, and a transparent lid for easy identification.

Made of rugged, state-of-the-art plastic polymers, the Symmetry Medical ScopePak is compatible for use with most of sterilization methods currently available.
